## Why advertise with Red Barn Corn Maze?

- Last year's attendance was over 3,000 people and continues to grow each year. Through our advertising with local visitor centers, summer parades, the Door County Fair, television commercials, social media, and more, we are anticipating a conservative estimate of at least 600 people per weekend. Over 7 weekends, that's a possible **audience of more than 4,000 people.**
- In addition to a corn maze, the grounds have outdoor games, hay rides, pumpkins and gourds, food and concessions, farm animals to pet and feed, and more. **Most attendees were here for 2-4 hours**, some all day!
- Red Barn Corn Maze is located on the Door & Kewaunee County line, and is easy to find— just a couple miles off of Highway 42 in Forestville. **Attendees were all ages and demographics**—families, seniors, teens. They came from local towns, Green Bay, the Fox Valley, Milwaukee and out of state.

Thank you to our sponsors!

\*We got our time on "Lions" for helping with the year's corn maze festival!
