

2026 School Field Trips

We offer a customizable 1-2 hour field trip which can include any combination of activities:

- 2026 Maze: Learn navigational skills and Declaration of Independence history in our Liberty-themed maze
- A visit to the farm animal petting area with time provided to feed and touch some of the animals
 - Education on farm animal safety, as well as facts about the animals on our farm
- Finding your way through a shortened version of the corn maze
 - By following our scavenger hunt in the maze, learn map reading and compass direction skills
- Complete the remainder of the scavenger hunt on grounds if desired
- Education on types of corn, pumpkins, and gourds
- Tractor-Drawn Hayride around the maze and pumpkin patch, with a pick-your-own 3-8 pound pumpkin for each student
- Time on the main grounds to play with the games
 - Rubber Duck Races, Cheese Board, Game of Graces, Music Wall, Corn Wall, Obstacle Course
- Bale Mountain with rolling pipe slide for children to climb and explore
- Apple slingshot: 2 apples per child
- Explanation of historical farm equipment on display
- Fall group picture opportunities

Cost: \$8 per person (including chaperones). Teachers are free. Payment due upon entry or can be paid in advance.

Picnic facilities and restrooms are available. Your group can choose to bring your own lunch and eat on site if desired. Time for lunch can be reserved for your group before or after your tour.

School field trips are available weekdays between 9am and 2pm, from September 14 through October 23.

Bookings will be exclusive to your group (only one school per reservation time.) We will tailor an itinerary based on your students' age and educational goals.
